

CUSTOM LABELLED BOTTLED WATER

Sell your own custom branded water bottles...

Why use a generic brand of water when you can create your own from around \$1.00 per bottle (or from \$0.50 each for larger quantities!)

Make a **lasting impression** with your customers by offering pure Australian bottled spring water with your organisation, brand or company name on the label.

Our custom labelled water bottles offers you the opportunity to promote your own brand or image by using a product that symbolises health and vitality.

We use Premium Australian spring Water from various sources around Australia bottled under strict quality controls and free of contaminants, preservatives and chemicals.

Every bottle of custom labelled bottled water you purchase from Source Direct also helps the Clown Doctors. We can even include the Clown Doctors logo on your bottle if you wish!

Pricing starts from \$1.10 per bottle for one carton of 24 bottles but you can pay as little as \$0.50 per bottle for larger quantities! One pallet of 350ml or 600ml bottled water will only cost you \$0.68 per bottle!
